There the remote Bermudas ride
In the Creech's bosom peopled;
From a small boat that rowed a-long
The listning winds received the song.

GOV. HOLDEN'S WAR ENDORSED BY HIS SON.

We do not believe that a majority of the Republican party in this Congressional district, or in the State, endorse Governor Holden's war on the people of Alamance and Caswell, nor do we believe that they are willing to pay the expenses of that war, amounting nearly to the sum of $200,000. It was not only lawless, it was monstrous and infamous, and has made his name a bye-word throughout the Union. The crime has no parallel in this country, [illegible] of Kirk and Harris hanging men, by order of Gov. Holden.

We call upon every Republican voter to remember that Joseph W. Holden, the Radical candidate for Congress, endorsed this infamous war made by his father; that he endorsed his conduct in *resisting the lawful process of the Courts*, and *Radical* Courts, at that. The *Standard* shows these facts.

INDICTMENT AGAINST THE GOVERNOR.

We left Orange Court on Wednesday of the first week of the term, Jo. New York, Solicitor Bulla had sworn the witnesses and sent in a bill of indictment against W. W. Holden, the "Governor, so-called," George W. Kirk, George Burgin, Alex. Ruffin, (negro) and Captain Hancock, late of the Confederate army.

A capias has been issued from Orange Court, commanding Timothy Lee, Sheriff of Wake, to take the body of W. W. Holden and him safely keep, so that he have him before the said Court on the eighth Monday after the first Monday in March next.

When Justices Dick and Settle refused us a Bench warrant for Gov. Holden, assigning as a reason that only the Legislature could punish the Governor, and that by impeachment, for a breach of the criminal law, "my son Joe," editing the *Standard*, said it would read well to telegraph all over the country that the Governor had been arrested "by Jo. Turner." Now, it will be telegraphed all over the country that a capias is out for the Governor's body, for an assault upon "Jo. Turner."

The story is not half told, if we have an honest Judge, observant of the law, before whom to try the Governor; he will be sentenced to the penitentiary before General Dockery and his Board can complete that building.

The Governor issued warrants and white men and ordered them to arrest us, when we were in "the peace of God and the State," without warrant or shadow of law; they did so, by presenting loaded guns at us, at a distance of one hundred and fifty yards. These hirelings, then, robbed our house of two guns and a pistol. The Governor is not indicted for the robbery, though he is indirectly guilty as an accessory before the fact, but for an assault with deadly weapons, which the carpet baggers in the Legislature made a Penitentiary offence; thinking thereby to make the late Confederates abandon the use of fire-arms in personal encounters. The Governor will be the first Confederate caught, and if he gets justice the Penitentiary will get him.

What will Randall and Pettigrew Pearsons, Goodloe, say of the Grand Jury of Orange, who dared to indict the Governor? Not to be outdone by the Governor in magnanimity, as he ordered Bergen and his thieves to "take us alive, two colored Timothy, as he values the ten thousand dollars he got in connection with the black-mailing suit against the Railroad, when he goes to arrest the Governor, to "take him alive." Yes take him "alive" though "kicking."

Timothy told us, when we placed papers in his hands for the arrest of Kirk, that he could not do it. We shall await his action in this case, and if he fail to take the body of "Dad," we shall have his Excellency, Timothy, indicted at the next Orange Court.

What a glorious thing law is, when it is righteously executed! What a wicked thing a Judge or a Governor becomes, when, like Holden and Pearson, he sets the law at defiance or strikes contrary to it!

VISIT TO NEW YORK.

We returned on Saturday last from a week's sojourn in New York, where we went to make purchases of type and fixtures for the SENTINEL office. We have not had sufficient space in the SENTINEL heretofore, to expose, as fully as we desired, the plots and villainy of the Holden administration, and give variety in other departments of the paper. We hope, however, by "enlarging our borders," as we shall now do in a few days, to be able to show them up in their true colors.

We have also laid in material for a complete job office, by which, in a few days, we shall be able to meet the orders of our friends in that line, for all kinds of work, from a visiting card to the maiden speech of a budding politician.

For a few days pending the election, there was considerable excitement in some portions of the city. This excitement was the more intensified, owing to the fact that Grant, *Holden like*, sent troops to *insure a fair election!* Our English ancestors, long ago, *by* act of parliament, forbade the parade, or even appearance of troops on an election ground. Imitating them in this wise practice, our American forefather passed a statute forbidding even a militia muster on an election ground on the day of election.

Our Governor, for his disregard of this law, is liable, at the suit of any citizen of the State, to a fine of one thousand dollars for having troops at the election grounds in Raleigh, Hillsboro', Graham, Yanceyville and some thirty other places in the State.

North Carolina set New York an example of forbearance at the sight of armed men at the polls, and with good results did New York follow it. New York, like North Carolina, was unwilling to stake the life of one good citizen against that of one of Grant's hirelings. The liberties of a people is endangered when the Federal as well as the State authorities seek to embroil them at the polls in collision with their own paid soldiery. If the people of North Carolina and New York had not been wiser and better than their rulers, and would have been their condition to day. But all the incidents of note concering the elections have reached our readers through the public prints, therefore we need not repeat them here.

Among the notables we went to see was "Brick" Pomeroy. "Brick" is not a coarse rough man, as some of his editorials would indicate. He does not, as our Governor did to Chief Justice Pearson, use "cuss words," but is a man of pleasing manners and address, refined, genteel, and neat in his dress.

Pomeroy is not "broke" as some of the lying Radical sheets represented. He sold his interest in his Daily, in order to devote his entire attention to his weekly edition, but the terms of sale not being complied with, he has resumed possession, much to the chagrin, no doubt, of many who were so rejoiced at the thought of his failure.

But it would swell this article to a length beyond our ability at present to carry it, were we to attempt to give an account of the many pleasant incidents of our trip. We met many North Carolinians in New York, whom we were glad to see. We had quite a successful trip in a business point of view, as we hope to make manifest in the improved appearance of the SENTINEL in a few days.

In the meantime our subscription books are open; the Legislature will meet next Monday, and those who wish to keep posted in its doings, can send in their names and the money, and have the paper sent to them regularly.

"THE GOD OF TURPENTINE."

We call upon all the well disposed colored people to remember the fact that the Radical candidate for Congress in this District, Mr. Joseph W. Holden, has done all that he can to engender strife between the white and colored people. That on one occasion, in threatened to invoke "the god of turpentine" to come to the aid of the colored people, thereby substantially advising the colored people to make war upon the whites with the torch! This he did in the year 1868.

Are the well disposed colored people, or any decent Republicans, willing to have such a man represent them in Congress? We think not.

Let colored men remember, too, that this Mr. Holden, and his father, has forced him upon the Republicans as *their candidate*, hoping they will vote for him, however objectionable he may be, although there are other men, colored and white, not so odious or objectionable.

If Republicans shoulder this man again, in full view of all he has said and is responsible for, they take a heavy load, no mistake about it. Good and considerate men are not going to do it.

SALARIES OF MINISTERS.—The pastors of the fashionable churches in New York city it is stated, receive salaries of from $6,000 to $7,000, with comfortable parsonages. The salaries and perquisites of some of these clergymen, it is stated, amount to $10,000 in gold.

A PROCLAMATION IN NORTH CAROLINA.—Governor Holden, of North Carolina, has just issued a most extraordinary proclamation. He declares that his former proclamations declaring the counties of Alamance and Caswell in a state of insurrection are "hereby revoked, and shall have no further force or effect," and then proceeds to express his "gratification" "at the peace and good order" prevailing in those counties, "and generally throughout the State." He trusts that partisan rancor and bitterness may abate, and that the whole people of the State without respect to party, may unite fraternally and cordially to build up North Carolina, and to elevate her to the proud eminence which she once occupied as a member of the American Union. Governor Holden has been a long while coming to his senses—but better late than never. *Baltimore Sun.*

Gen. GRANT's attempt to protect the purity of the elections in New York and Alabama by the use of the bayonet were very successful. Both States went largely Democratic.—*Courier Journal.*

A WORD TO HONEST REPUBLICANS.

The statutes passed by the last Legislature show that that body undertook to appropriate over $26,000,000, and over $19,000,000 of this sum Governor Holden and the State Treasurer say was valid. These appropriations were made ostensibly, to build railroads, but in reality, to supply money to make Radical scoundrels and carpet baggers rich. Of the whole amount so appropriated, less than $500,000 have gone into our railroads!

Now, we ask, where has the money gone? The bonds were issued and passed into the hands of men virtually appointed by Gov. Holden; where are they? Where are the proceeds of them? There is but one answer to this question; they have long since gone into the hands and pockets of the plunderers of the State. The money has been virtually stolen.

These acts of the Legislature were passed for a villainous purpose, as we have said, and the "Ring" understand the object.—These acts invested Gov. Holden with *power to appoint the men* who controlled these bonds. Whom did he appoint? Andrew Jackson Jones, George W. Swepson, Milton S. Littlefield, and those who elected these men officers of the Railroad companies.

Gov. Holden not only appointed these men, but he knew for months and months that the bonds and the proceeds of them were misapplied; he was Governor, yet he opened not his mouth against the notorious fraud and stealing. Why did he not do so? He is responsible for these frauds and villainies. He was potent with the Legislature, and more than that, he appointed the men that controlled the bonds.

The Radical candidate for Congress in this district is the son of Gov. Holden, and was a member of the Legislature that made these extravagant appropriations; indeed he was the Speaker of the lower branch of that body and endorsed its doings; endorsed his father, like a dutiful boy, not only while in the Legislature, but everywhere, and especially as editor of the *Standard*.

His connection with all these schemes is thus made manifest, and yet he is put forward, *par excellence*, as the *man* to go to Congress from this district. How did he get the nomination? Through whose influence? We have heard Republicans say openly in the streets that he could not be elected; that he is odious to many; that his father is odious; that they are each responsible for the crimes and blunders of this administration; that they have been the means of making the *opposition* to the Republican party, and are responsible for the odium, not only at home but abroad, everywhere, of "Holden's administration."

Yet Mr. Jo. W. Holden is the Radical candidate for Congress—the fittest man the Republicans could run! Will honest Republicans vote for him? Will the leading Rads, whom he and his father cheated, as is said, out of the nomination, go for him? What do you say, Maj. Jones, and Mad. Hawkins, Tazzy Hargrove and Harris? Will you go for this man and thus re-endorse the Holdens and the Holden administration? Let us see you do it! Will the colored voters go for this white Radical, when the white Radicals refused to vote for a *negro* (James Harris) for Congress, last summer! We shall see.

PETTY IGNORANCE OF THE STANDARD.

The *Standard* proclaims its mendacity, or its ignorance in what it talks about, when it speaks of John Manning as a man of poor ability. He is a man of intellect and very extensive accomplishments; he is a really able man and one very popular where he is known. The few Radicals in Chatham will tell the *Standard* so.

We ask every Republican in the District, who can do so, and who is not afraid to hear both sides, to hear Mr. Manning speak, and they will be convinced at once of his powers as a speaker and able debater. The Chatham people will vote for him, regardless of party ties. They know him.

The Editor of the Asheville *Citizen* was at Henderson Court week before last. He winds up a very interesting description of his trip by saying; "the people we found to be decidedly in favor of calling a Convention to amend the present Constitution."

The editor of the same paper was at Yancey Court last week. He gives a good account of the industrial enterprises of that section—of the Mica Mines, the cheese making, apple crops &c. &c. "There is no doubt, if the natural advantages of that part of the State were properly developed, it would prove one of the most desirable sections of the Union. What a pity it is that Radical "Ring" men were allowed to steal the millions of dollars appropriated ostensibly, to open railroads through this delightful region!

A Card to Sensible People.

Rational reader, if the aspect of the weather was uncertain, you would not be foolish enough to venture out without an overcoat or an umbrella. Have the forec st, then, to protect yourself at this dangerous season with something more important than either of these articles. Strengthen your stomach and nervous system; regulate your l ver and your bowels, tone all your organs and cheer your animal spirits with that agreeable cordial tonic and alterative, Hostetter's Stomach Bitters. So shall you surely escape the diseases which fasten upon the feeble and debilitated. "Suffer and be strong," says the proverb; but "Be strong that you may not suffer" is the wiser maxim and of all strengthening preparations this is the safest, the surest, the most genial. As a remedy, as well as an antidote, for dyspepsia, fever and ague and liver disease, there is no combination of vegetable specifics at present known which even approaches it in efficacy.

Anticipate the enemy. The elements of innumerable diseases are afloat in the raw, damp, mephitic winter air. Will you defend yourself against them or not, good reader? That is the question. A bottle or two of the great preservative MEPTONE OF THE SEA, Hostetter's Bitters, will so strengthen and brace up your bodily powers as to enable them to "laugh a siege to scorn." The morbid matter which was exhaled in perspiration through your pores to sanitize foods no such free egress now. A powerful counteracting agent is therefore needed, and you have it in Hostetter's Bitters. They neutralize the *materies morbi* from which disease originates, and regulate all the secretive organs. Nothing can be more harmless or more healthful; nothing so potent to prevent or cure bilio sness, dyspepsia, fever and ague, constipation and general debility, as this wonderful corrective.

NEW ADS.—Another arrival of new goods at J. P. Gulley & Bro's.

Douglas Bell offers a variety of desirable groceries.

Mr. Oettinger announces shawls, cloaks, &c. for ladies and ready made clothing for the rougher sex.

And Mrs. Oettinger has a new supply of bonnets and millinery.

Harton & Broughton have a nice lot of breakfast bacon and two milch cows for sale.

Meeting of the People's B. & L. Association on Friday night.

Sale of fire wood at auction by J. M. Towles, who also offers mountain butter for sale.

Harton & Broughton has a new brand of chewing tobacco, which, on trying, we find excellent.

LOST.—A map of the Square known as St. Petersburg, in the eastern ward of the city. The finder will be rewarded by leaving it at the Mayor's office.

Raleigh, Nov. 15, 1870.

We regret to learn that Midshipman, George Winston, of Bertie, who has reflected credit upon his native State, at the U. S. Naval Academy, has sent in his resignation.

The Baptist Church of Raleigh begs leave to return thanks to each of the hotels and to a number of the private boarding houses, as well as to several of the friends of other churches for the kind hospitality extended to the delegates of the Baptist Convention.

MASONIC.—We call special attention of members of the Grand Lodge of North Carolina, A. F. M., to the notice of the meeting of the Grand Lodge by Grand Secretary, H. W. Guion.

FOR THE PEN.—At the recent term of Halifax Superior Court, the following persons were sentence to the Penitentiary for terms ranging from three to five years: John H. Everett, George Smith, Edwin Mills, Granville Jerrall, James Pittman and Richard Dunn.

Porter Nicholson and some others were sentenced to imprisonment in the county jail.

SAUSAGE.—We all remember that delicious Hechler sausage we so luxuriated on last winter. Well, Judge Moore has opened a stall—the first on the left hand side of the Market House, from the Fayetteville Street entrance—for the sale of this popular *substantial*, where it may be obtained at all times and in any reasonable quantities. We have tried some of it and find that it has not deteriorated since last season.

DEFINITELY FIXED.—The place where Fisk said certain funds had vanished has been definitely located. A western exchange gives an account of a Mrs. *Woodbine*, of Missouri who has presented her liege lord with three pairs of twins in succession. The abode of this prolific couple is certainly the "place where the woodbine twin-eth."

JOSEPH ON THE RAMPAGE.—We learn from a gentleman of high character that "my son Jo," who addressed a large and respectable crowd" at Louisburg, last Friday, had, by actual count, 57 colored and one white Radical to listen to him, and that the white Rad said, after hearing him, that he would not vote for him.

We don't know what his success was at Warrenton, but from the prospect when he arrived at the Depot, on Saturday, it was quite slim.

A friend writing from Henderson, Monday, says, Joe "norated" to a small handful of 15th amendments there that day. The writer informs us that "Joe has secured the services of 'Jeems' Lamond to stump Granville county for him, until the election; but everywhere that 'Jeems' speaks the Conservatives will make gains." It seems the people down there know Jeems, as indeed they ought, for he kept a little doggery at Henderson before he opened one in this city.

NEW ALMANAC.—The North Carolina Almanac for 1871, published by J. H. Enn's, Bookseller, Agent, at the old North Carolina Book Store, is out and ready to meet orders already in, and others that may be sent for it.

This Almanac is gotten up in good style, with the usual statistical and other useful information; and the astronomical calculations are reliable, having been made by Rev. Dr. Craven, of Trinity College.

We see the publisher keeps up the good old habit of interspersing useful and witty anecdotes throughout the book.

WASHINGTON DAILY PATRIOT.—Volume 1, number 1, of this new Conservative organ, published at the national capital, reached us last night. It is of large size, printed on new and beautiful type, and edited with ability, judging from this first number. It is issued daily at $10 per annum, and weekly at $2.50 for single subscribers, or to clubs of ten at $2 each.

Those wishing a good reliable Democratic Conservative paper, published at the national capital, would do well to send in their subscriptions at once.

The next Congress will contain eight or ten colored men—eight at least.

LEE MEMORIAL OBSERVANCE.

The Committee of Arrangements, designated at the public meeting of our citizens held some time since, have adopted the following programme for the Memorial Observance, to be celebrated on Wednesday next, the 23rd inst., in honor of Gen. ROBERT EDWARD LEE, the Patriot Hero. It is designed that the commemoration shall be worthy of the memory of the illustrious man, and it is earnestly desired that it may be participated in by a grateful people, with all the solemnities and appliances suitable to the occasion. Let it be a fit expression of the sentiments, the admiration and the sorrow of the Capitol of the State.

We desire, particularly, to call attention to the proposition to raise funds for a monument to the departed Chieftain, and to express the hope that the suggestion of the Committee will be heartily and generally seconded.

THE PROCESSION

Will form at 11 o'clock, in front of the South gate of the Capitol, and will march thence to the grounds of the Peace Institute, where the exercises will take place.—The following will be the order of Procession:

Music.
Chief Marshal and Assistants.
Soldiers of the late C. S. Army.
Clergy.
Eulogist, attended by Committee of Arrangements.
State Officials and Members of the Senate and House of Representatives, headed by their Presiding Officers.
City Officials.
Masonic Fraternity.
Independent Order of Odd Fellows.
Friends of Temperance.
City Fire Companies.
Children of the various Sunday Schools.
Citizens.

All who join in the procession are requested to wear a black crape rosette, with white ribbon or some other appropriate badge.

The Bells of the City will be tolled during the Memorial services.

It is earnestly desired that all business be suspended during the exercises, and that such emblems of mourning, as may be deemed appropriate by the occupants, be displayed from the stores and dwellings.

The following will be the order of exercises:

1. Dirge by the Band.
2. Hymn by the children of the Sunday Schools.
3. Prayer by Rev. Drury Lacy, Chaplain.
4. Reading of a Poem written for the occasion by Mrs. Fanny Downing.
5. Eulogy, by Hon. Z. B. VANCE.
6. Dirge by the Band.
7. Singing.
8. Benediction.

GEN. WM. R. COX, Chief Marshal.
MAJ. H. C. MANLY,
MAJ. R. S. TUCKER,
CAPT. W. HAL HARRISON, } Assistants.
S. G. RYAN,
WM. STRONACH.

If the weather should unfortunately prove too inclement for a Procession, the exercises will come off at Tucker Hall, at which place the people are requested to assemble at 12 o'clock.

The ladies of the Memorial Association are requested to take charge of the decoration of the Speaker's stand.

It is contemplated to afford the people an opportunity of contributing to the erection of a memorial monument to GEN. LEE, in the Confederate Cemetery. To that end, boxes will be provided on the occasion, and it is earnestly hoped that this appeal will be liberally responded to.

AIN'T YOU ASHAMED?—The Newbern *Times* accuses the Democratic party of favoring repudiation, when the fellow knows very well that his Radical Legislature has already repudiated everything—repudiated their own appropriations by indirect statute, and the old State debt, as far as they could, by refusing to make any provision for paying the interest on it.—Truly the impudence, ignorance and falsehood of Radical carpet bag editors are without parallel. There is neither truth nor shame in them, from Martin and Capehart Ashley, of the *Standard*, up to the brace across vomited editor of the *Times*, whose picture was given by a brother Radical editor a day or two ago, with four legs and two long ears, very much resembling those of an ass.

HORRIBLE.—While one of the Night Watch was making his solitary rounds, on Sunday night, in East Ward, he discovered the dead body of an infant, fearfully mutilated. The head was crushed and there were marks of violence on the lower part of the body. There has been no clue discovered to the perpetrator of the murder.

P. S. Since writing the above we have learned that the "infant" belonged to the *feline* genus, and was *mutilated* because it *would mew till late*, to the annoyance of the Brightons.

COTTON STOLEN.—Some rogue went into the Fair Grounds on Monday night, broke open Farmers' Hall, and stole therefrom a bale of cotton, which had been left there since the Fair. Mr. Norris, the vigilant keeper of the grounds, discovered the depredation and applied to the police for help. Maj. Miller, of the Night Watch, got on the track and found where the cotton had been sold to some chaps in the city, but the rogue not being recognized is still at large; sharp efforts to catch the thief, however.

P. S. After the above had been written and in type, we learn that the cotton rogue was recognized and captured by Maj. Martin, Chief of Police, and policeman Crossan. His name is Wm. Thrower, colored, and he came from Warren county. The evidence was direct and positive against him, that he was sent to jail to answer at next Spring term of the Superior Court.

John Covode says the appointment of Vaughan as Governor of Utah won't answer.

Tuesday Evening Dispatches.

ALABAMA.

MONTGOMERY, Nov. 15.—The Democratic majority is estimated by 3,000 to 5,000. The House stands 85 Democrats, 35 Republicans, whereof 15 are colored. The last House was 18 Democrats to 3 Republicans. The Senate holding over, stands 1 Democrats to 31 Republicans. The majority on joint ballot doubtful.

FOREIGN.

LONDON, Nov. 15.—The Court Martial in session here has condemned to death all the leaders of the rebellion, members of the various Juntas and all other persons who have been instrumental in the rebellion but who are now absent from Cuba. The estates of all such are confiscated.

LONDON, Nov. 15.—Dispatches from Tours and Metz are somewhat confused and to this hour unverified. It is reported that Von Derlan, who was advancing southward from Toury with reinforcements, was furiously attacked by the French near Athernay, who captured many prisoners and 36 guns.

The Times says it is certain that Russia has sixty iron clad gunboats in the Black Sea ready for action.

Certain documents, recently captured by the Prussians, seriously compromise the neutrality of Switzerland.

It is said that the French Government thanks Switzerland for their intervention in behalf of peace. The note adds that the acceptance of the harsh Prussian terms, would have been virtually submitting to their own subjugation.

TOURS, Nov. 15.—The journals announces that the material benefits of the battle of Canimiers are not exactly as first supposed.

VON DERLAN narrowly escaped capture at Orleans.

Thiers publishes an account of his negotiations with Bismarck. The armistice turned upon the victualling of Paris. Thiers says that Bismarck, speaking in the name of the military leaders, protested against the revictualling unless he received a military equivalent. I demanded what he meant. He answered: "A forty per hapse more than one." I immediately stopped Bismarck saying: "The Paris you ask Paris our force, our hope, which you are not able to vanquish after fifty day's siege." Thiers adds, "when we arrived here we could go no further."

BERLIN, Nov. 15.—German Unity negotiations are still progressing.

PRUSSIA proposes that regulations for the Press and public meetings, shall belong exclusively to the Federal Parliament.

VIENNA, Nov. 15.—Great enthusiasm was created on the Bourse upon the announcement that the Prussians had evacuated Orleans.

MARKETS.

NEW YORK, Nov. 15.—Flour dull and drooping; Wheat dull and heavy; Corn scarce and firmer; Pork quiet at 24½ to 25; Lard weak; Cotton nominal at 16½; Orleans 16½, sales 1,000 to-day; Spirits Turpentine firmer at 46½ to 47.

LIVERPOOL, Nov. 15.—Cotton steady, Uplands 9½; Orleans 9¾.

Tuesday Night Dispatches.

WASHINGTON.

WASHINGTON, Nov. 15.—There was a full cabinet meeting to-day.

A telegram has been received in London to the following effect: Dispatches from Blois and Tours confirm the rumors that a battle has been fought near Arthenay. The extent of the engagement is not yet ascertained, but that another French victory has been obtained seems to be the general belief. The combat originated in an attack upon Tann, along the road leading from Chevilly and Orleans. The fight was evidently very desperate. Indications of a hurried and disorderly retreat of the Germans are reported during the night. The neighborhood of Orleans, and subsequent dispatches will no doubt confirm, that as a consequence, orders to be indistinct rumors furnished of the information of stragglers from the scene of conflict.

The Prussians are following up their recent victories with considerable fervor and dash. The latest reports from the interior of Paris, where the news of the victories have been officially published, have given a quiet warning to the cloud that seems to hang over the doomed City.

NORTH CAROLINA.

WILMINGTON, Nov. 15.—The entries largely exceed those of the last Cape Fear Agricultural Fair. The exhibition will be fair to be the finest ever held in the state. The city is thronged with visitors, and several thousand are expected to-morrow.

FOREIGN.

TOURS, Nov. 15.—A dispatch from Lyons announces that the mutinous soldiers of the Garde Mobile have been tried and three have been executed.

PARIS, Nov. 14th, via Tours, Nov. 15th.—The German forces at Chevigny, about 8,000 strong, have re-embarked Gragnon the Department of Haute Saone, owing to the re-capture of Dijon by the French. Three hundred Prussians attacked this place yesterday, but were handsomely repulsed, by the National Guards.

MARSEILLES, Nov. 15.—Returns from the municipal elections foot up as follows: Republicans 20,000; Communists 8,000. The city has been perfectly quiet.

VIENNA, Nov. 15.—In the Hungarian Diet today, two urged the Government to resist the Russian pretensions. The opposition, however, desired to effect peaceful arrangements.

The Equitable
LIFE ASSURANCE SOCIETY
OF THE
UNITED STATES
120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $12,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including Tontine Investment Policies.
17. The amount of new business during the year ending December, 1, 1869, was $61,031,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of dividing profits by the most eminent actuaries, and is now adopted by many companies, which is expressly limited to eighty per cent. of the profits.
20. It is as liberal in its conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $15,000,000 greater than any other company.

A PROCLAMATION

By His Excellency The Governor of North-Carolina!

EXECUTIVE HOUSE.
Executive Department,
Raleigh, November 10th, 1870.

BE IT KNOWN, That the Proclamation issued from this Department, dated March 7th, 1870, declaring the County of Alamance in a state of insurrection, and the proclamation issued from this Department, dated July 8th, 1870, declaring the County of Caswell in a state of insurrection, are hereby revoked; and it is hereby declared that said proclamations shall not have further force or effect.

I take this occasion to congratulate the people of North-Carolina to express my gratification at the peace and good order that have prevailed in the counties of Alamance and Caswell, and generally throughout the State. I trust that peace and good order may continue; that partisan rancor and bitterness may abate; that our people of all classes and conditions may cultivate harmony and good will among themselves; and that the whole people of this State, without regard to party, may unite fraternally and cordially to build up North-Carolina, and to elevate her to a proud eminence which she once occupied as a member of the American Union.

Done at our City of Raleigh, this the 10th day of November, one thousand eight hundred and seventy, and in the year of the Independence of the United States the ninety-fifth.

W. W. HOLDEN, Governor.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the End Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 100,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimneys.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividens annually after the first annual premium paid. Assetts exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. Its "*Defaults surrender values guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a minimum "Default Cash Surrender Value." *Death losses* have not occurred, out of *several hundred* policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Fictitious Dividends* are not declared, but Dividends are given from the actual surplus in accordance with the Company's Charter. POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,* upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
